WHY SPONSOR THE NDSHRM CONFERENCE?

Organization & Mission

The ND SHRM State Council is a non-profit organization and an affiliate of the Society for Human Resource Management. We are comprised of volunteers from various companies across the state, with the shared intention of spreading business, leadership, and HR knowledge and experience to everyone.

Our mission is to support the business leader & human resources profession across North Dakota by providing leadership, connections, development opportunities and resources.

Partnering Together

One way we support our mission is by providing an annual conference, for HR practitioners, business leaders, and anyone needing some education or information on what is happening in all areas of workforce development and operations. In order to provide a high-quality conference at an affordable rate for attendees and develop other outreach programs across the state, we need your support.
